IPM Named to Inc. 5000 for Fifth Consecutive Year

Eighteen Percent Growth Over Last Three Years

Burr Ridge, IL, August 23, 2011 – For the fifth year, Chicago-based [Integrated Project Management Company Inc.](#) (IPM) has appeared on the annual Inc. 5000 list of fastest-growing private companies in America. IPM is a project management consulting firm that serves the life sciences, ag science and nutrition, healthcare, consumer goods and industrial sectors. The firm grew its revenues 18 percent from 2007 through 2010.

“Being [named once again to the Inc. 5000](#) is a tribute to our outstanding IPM family members and their dedication to the company’s sustained growth,” says IPM’s president and CEO, [C. Richard Panico](#). “For us, it’s not about growing rapidly as much as it is about growing right. This means being true to our values, improving all aspects of performance, and serving as a positive and ethical influence in business and our communities.”

Other [recognitions](#) received by IPM over the past year include the 2010 American Business Ethics Award and the 2010 list of 50 Best Small & Medium Workplaces by Great Place to Work Institute® and Entrepreneur Magazine.

About IPM

Integrated Project Management Company, Inc. (IPM) is a project management consulting firm specializing in the life sciences, ag science and nutrition, consumer goods, industrial products and healthcare sectors. Through disciplined on-site leadership, IPM completes complex projects in often highly regulated industries. Since 1988, IPM has served over 250 clients across 3500 projects, delivering measurable results. The company has regional offices in Chicago, San Francisco, St. Louis and Boston.
